

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like offering items which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both parts and technical support obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment functioning and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that eventually reduces your cleaning expense. The product, the price and the service all work as one to make them the leader in the industry.
